#Extraction2018

Late News Poster Session:

LAST CALL TO POST YOUR ACHIEVEMENTS!

Extraction 2018 is now offering a Late News Poster Session. A limited number of daily poster presentations are available, with different presentations set for Monday, Tuesday, and Wednesday during the conference. This interactive poster session will give individuals not able to make an oral presentation a chance to contribute to the program and network with leaders in the global extractive metallurgy field. Submit your poster abstract online today at: www.ExtractionMeeting.org

Poster Abstract Submission Deadline: June 17, 2018

Poster Session Organized by:

Ahmet Deniz Bas | Researcher – Flotation, COREM
